

Causes We Care About

This year at the Salon, from September 2021 until August 2022, we aim to focus on three Causes: the Environment, the LGBTQ+ Community and Homelessness. We aim to spread awareness and take part in various projects through which we wish to make the world a better place. Our motto is at the centre of all our causes: 'Communitas et incrementum sapientiae', 'Community and Growth in Wisdom', for indeed, without addressing the relevant issues of our generation, we have no way of moving forward in the right direction.
